SECRET DISTILLERIES

BLENDED 2009 – BOTTLED 2020

UNCHILLFILTERED - UNCOLOURED

This 11 years old whisky is bottled as a single cask blended malt. Single Malts of some famous distilleries has been blended and matured in a 1st fill sherry butt. In earlier days this type of whisky was called a Vatted Malt. Only containing Malt Whisky it's as voluminous as pure Single Malts.

The Nose shows dark chocolate and coffee notes, sherry-sweetnes, a hint of tannins and raisins. Also some orange, coffe and sweet cherry.

At the palate it's well rounded and sweet. A luscious sherry influence surrounded by chocolate and dried fruits.

The long lasting finish shows this notes again, making sure this is a sherry bomb.

A classic sherry cask matured dram, rich and full bodied.

**“In my opinion, this Malt is an excellent Whisky, where brilliant spirit, best oak and exactly timed maturation worked together at its best.”**
